

Dr. Goswami and Nzioki to give a public lecture on Cosmology

Dr. Rituparno Goswami

Dr. Anne Marie Nzioki

Physics departments will be hosting Dr. Rituparno Goswami and Dr. Anne Marie Nzioki on January 15, 2016. Dr. Goswami is a Senior Lecturer & Gravitational Physicist Astrophysics and Cosmology Research Unit at the University of Kwazulu Natal, Durban, South Africa. He will be giving a talk on “Cosmic Nudity!!! Is it really censored?” Also giving a talk is Dr. Nzioki. Dr. Nzioki is a Postdoctoral Researcher, Astrophysics & Cosmology Research Unit at the University of Kwazulu Natal Durban, South Africa. She will be giving a talk entitled “Solutions of spherically symmetric spacetimes in modified gravity”. The talk will be held at the School of Physical Sciences Boardroom starting at 11.00 a.m. Guests are expected to be seated at 10.45 a.m. All are welcome!
